Dear Phil,

Thank you again to you and Alison for taking the time to meet with us and for the opportunity to introduce British Enrolment Partners and explore how we might support Dover College. It was a pleasure to learn more about the College, and we very much appreciate the invitation. Thanks also for sharing The Good School Guide link and details of the highest grading in the Telegraph's 'Value for Money' award.

To help me shape a focused and relevant proposal, it would be very helpful to have a little further insight into your current international boarding profile and recruitment priorities. In particular, I would be grateful for any information you can share on:

- **Strong and developing markets** – which international markets are currently performing well for Dover College, and which markets are currently under-represented or offer potential for growth.
- **International pupil profile** – the current profile of international pupils, including the key age groups/year groups.
- **Priority nationalities** – any specific nationalities or regions that Dover College would particularly like to develop over the coming years.
- **September 2027 boarding capacity** – an indication of the number of boarding places you anticipate being available for international pupils for September 2027.

I appreciate that some of this information may be commercially sensitive, so please feel free to share whatever level of detail you are comfortable providing. Even a broad overview would be extremely helpful in ensuring that our proposal is aligned with Dover College's objectives.

Thank you once again for your time and the opportunity to meet.

I look forward to hearing from you.

Best wishes,
John

Dear John, Ying, Andrew,

It was really good to have the initial conversation the other day. We would love to invite you to site to discuss next steps. This obviously depends on your discussions about Dover's 'fit' for your organisation.

If it helps to review matters, the Good Schools Guide review I mentioned is now out of draft stage and is live: <https://www.goodschoolsguide.co.uk/uk-schools/review/dover-college> We have also just been awarded the highest grading in the Telegraph 'value for money' category for independent school fees. The below is a snapshot of us compared to our local competitors, and is for your information only, rather than anything we would share more widely in this format.

School name	A level results
The King's School Canterbury (<1mi.) >	52%
The Worthgate School (<1mi.) >	-
St Edmund's School Canterbury (2mi.) >	29%
Kent College (Canterbury) (2mi.) >	31%
Ashford School (12mi.) >	38%
Dover College (14mi.) >	27%
Sutton Valence School (21mi.) >	37%
Rochester Independent College (25mi.) >	26%

Please do contact with any further questions.

Best wishes,
Phil

Dear Phil & Alison

Thank you for taking the time to meet yesterday and to learn more about British Enrolment Partners. We appreciated the opportunity to introduce BEP and to gain a better understanding of Dover College and your approach to international student recruitment.

Following our meeting, I understand that both Dover College and BEP will be having internal discussions to consider potential next steps. In the meantime, please do not hesitate to get in touch if any questions arise—I would be very happy to provide any additional information or clarification that may be helpful.

Thank you once again for your time and consideration. I look forward to hearing from you following your discussions.

Kind regards,
 John

Subject: Getting the most out of Dover College's international agents - BEP

Dear Phil,

I hope you're getting a bit of a break although I appreciate this year things aren't really slowing down over the summer.

If you'd like to set up a quick call about British Enrolment Partners and how they can help you get more out of your international agency and recruitment network we'd be very happy to set up a call over the next few days.

We have call availability between tomorrow and Monday 10th and a limited amount of founding school partnerships remaining given the initial uptake.

Not sure if you've seen my recent email but BEP is so confident it will increase your levels of qualified boarding applications for Sept 2027 that they will waive their retainer fees for the last four months of the school year if you haven't seen the uptick by February '27. There's also a commission only partnership that we can walk you through.

Best way is to set up a call to find out more about Dover College and your current recruitment set up and see how we could help best.

Let me know if you have any time this week or Monday 10th?

Best wishes,

Andrew
